FIBERGLASS STEP LADDERS

F4P (Tamco Group) warrants its ladder products to be free from defects in material and workmanship, excluding normal wear and damage from mishandling, for 90 days from date of shipment. Warranty is valid at the Company's discretion and judgment of product being used properly and for its intended use. The Company shall not be liable for any consequential damages, which may occur.

The Company will at no charge repair or replace at its option any part which the Company determines has failed during the warranty period due to defects in material or workmanship.

TOOLS & BAGS

F4P (Tamco Group) provides a limited lifetime warranty on its hand tools and bag products to be free from defects in material and workmanship. This warranty is valid at the Company's discretion and judgment of product being used properly and for its intended use. This warranty covers only manufacturing defects and does not cover any damage caused by misuse, neglect, accidents, abrasion, exposure to extreme temperatures, solvents, acids, water, normal wear and tear or transport damage.

The Company will at no charge repair or replace at its option any part which the Company determines has failed during the warranty period due to defects in material or workmanship.
